

Computer Software

DIGITIZING DIVAS

Join our group of DIVAS as we continue to explore all of the possibilities of the Bernina digitizing software. This is a hands-on-class that allows you to spend quality time working on your computer with the aid of our Diva guru, Sandie Griego. There will be a new topic each month and also time for help with your software questions! Each class is independent; join us for any session

Workshop, 1x3 hrs, Sandie Griego \$24
