

Quilt Sitters Circle is a quilt club that meets monthly to expand your knowledge of quicker and easier methods of piecing the quilts you really love to sew!

You may join our group **anytime**, so if you are already a quilter or are a wanna-be quilter, visit one of our meetings and see if we meet your needs for continuing education. The fee for the lecture/demonstration is \$5.00 or you can join for any 12-month period for \$50. The 12-month fee includes a notebook that will help you keep your notes and ideas in a safe place! As an added bonus, yearly members will have a “half-birthday” shopping spree! Shop one time with 30% off all fabric to make sure your “stash” is in prime condition!

Our favorite part of the Quilt Sitters meetings is all the Show & Tell! We always love to see what you are working on and it’s especially exciting to see a **finished** project! So, don’t forget to bring your projects to share.

We will continue our Quilt Sitters **Kindergarten** program to introduce quilting to beginners and reinforce basics to all. **Kindergarten** is open to everyone and meets at 9:30 before each Quilt Sitters Program.

An added optional feature of our program is a Block of the Month quilt. You will get the first months block for \$5.00. If you bring the finished block to the next meeting, the next block will be **FREE**. Be sure and check with us to see which month we are doing and how to get started!

We would love for you to join Quilt Sitters, so sign up today!

PLANO

QUILT SITTERS **KINDERGARTEN**

Would you like some clues as to what quilting is all about? From **9:30 to 10 am**, before each Quilt Sitters program, Teri offers a presentation on the very basics of quilting. You will learn about the tools of the trade, techniques, and the vocabulary of quilters. There is no charge for the Quilt Sitters Kindergarten demonstrations, so don’t hesitate to join us if you have an interest in quilting and think you are ready to get your tippy toes wet.
