WIN AN INSPIRATIONS SEWING CLUB SHOW AND TELL \$500 GIFT CERTIFICATE

Join us at Inspirations Sewing Club to see creative sewing ideas and build sewing skills. A great part of each club meeting is Show & Tell where we ask you to share sewing projects with the group. It is entirely voluntary, however the rewards can be great! At the November Inspirations Club meetings each year we award a \$500 gift certificate in each store from a drawing comprised of entries from Show & Tell projects. We will do the same thing this year with the drawing scheduled for November. For more information on this exciting drawing, see the Show and Tell section in this article.

Machine owners of all brands are welcome. We do, however, gear the handouts to the Bernina machines. As long as you are comfortable converting to your machine, we welcome you!

Inspirations Sewing Club fee is \$5.00. Reservations are a must. For an even bigger bargain, see the section below on Yearly Inspirations Sewing Club Memberships in this article.

YEARLY CLUB MEMBERSHIPS

For every new Bernina machine purchase you receive a free one-year membership in Inspirations Sewing Club.

At \$50, yearly membership in Inspirations Sewing Club is a real bargain! Included in the membership fee are 10-11 meetings during any 12-month period. On top of that is a really big bonus: A Birthday Week Shopping Spree at 25% off suggested retail on most merchandise. (Sorry, classes, software, machines, machine parts, furniture, all kitted goods, consignment items, and repairs must be excluded.) The birthday shopping may be done during any 7-day period including your actual birthday at either of our stores and is not limited to one shopping trip during that period. However, we cannot carry-over or offer a refund if you miss your birthday shopping spree or miss club meetings.

YEARLY MEMBERSHIP RENEWALS

Mark your calendar a month ahead of your club expiration date. When you rejoin ahead of your renewal date, you receive a \$10 discount off the yearly fee.

As an added bonus, the first time you purchase an extension of your club membership, you will receive an **Inspirations Sewing Club Binder** to organize all the instruction sheets and handouts that you receive at the monthly meetings. If it is not time for you to renew but you really, really want an Inspirations Sewing Club Binder, we have a deal for you! You may prepay for an additional year of club and the binder is yours now. The binder is only provided with a paid club renewal.

PROGRAMS

Inspirations Sewing Club meets twice on Friday and once on Saturday in each store. You choose the day and time that is most convenient for you.

If we have your e-mail address, we will send you advance notification for the Inspirations Sewing Clubs. In the past a

friendly staff person in each store has spent at least one full day telephoning for Inspirations Sewing Club notification. We will no longer promise to make these telephone calls, so keep us updated as you add or change e-mail addresses. If you have e-mail and have not been receiving club reminders, please send us a message so we can record your address.

Don't forget the birthday week shopping spree discount! You could easily save the cost of the yearly fee that week alone!

SHOW AND TELL AT INSPIRATIONS SEWING CLUB WIN A \$500 GIFT CERTIFICATE

Each year since 1999 after the final Inspirations Sewing Club of the year, we have presented a \$500 Show & Tell gift certificate in each store. In Dallas the 2009 winner was **Judi Warner** and the prize went to **Tamre Scott** in Plano. Congratulations to these talented and sharing ladies.

The drawings are held after the final November Inspirations Sewing Club in each store.

Software Sampler & Embroidery Club

YOU ASKED FOR IT!
A HANDS-ON SOFTWARE CLUB IS COMING IN FEBRUARY!!!

Would you like the opportunity to become more skilled at using your Bernina Designer Plus? If your answer is a resounding YES!, then we invite you to participate in our new program, **Bernina Software Sampler**.

We are excited to announce that we have completely revamped Software Club to feature ten hands-on software lessons. Software Sampler will be offered on a weekday and a Saturday in each store, beginning in February and running through November. Class dates are listed below.

Each month's program incorporates a practical software lesson that you complete during the class. Because you will be using your computer, the group size will be very limited. The fee for each monthly program is a nominal \$15 or a ten-month prepayment fee of only \$100 brings down the cost to just \$10. Included with each lesson is a CD with a power point tutorial, a copy of the step-by-step lesson, and notes on a related project which applies the embroidery you have digitized/edited.

We hope you are as eager as we are to start this new program! Sign up early as space is at a premium. Your ten-month prepayment assures you a space throughout the year.

An added incentive to prepaying for the yearly membership is that you can enjoy attending Embroidery Club at no charge. That's right, when you prepay for ten months of Software Sampler, Embroidery Club is complimentary!
