

## TRAPUNTO TODAY

### April Embroidery Club

Very traditional Trapunto is a stunning whole cloth quilting effect with elegant raised/padded motifs. Trapunto originated in Sicily around the 14th century and the rather tedious method for completing it remained unchanged for centuries. When free motion machine sewing became popular in the mid to late 20th century, trapunto became somewhat less time consuming.

Now, Teri will show how to achieve classic trapunto results with the help of machine embroidery. Using OESD's Trapunto Collection, she will WOW you with a modern technique used to create this beautiful heritage look. With over 50 graceful designs in this collection and Teri's quick-to-follow instructions, you will want to add trapunto to everything from pillows to king-size quilts.

### Reserve your place today!

**Dallas - 972-247-5103      Plano - 972-578-9227**
